Software engineering graduate with practical experience in Java, Spring Boot, REST APIs, relational databases, and unit testing. Seeking junior Java or software engineering opportunities.

CORE SKILLS

Java	Spring Boot	Spring MVC
REST APIs	MySQL	Hibernate
Git	Maven	JUnit
SQL		

EDUCATION

Bachelor of Software Engineering

Advanced Computing College • 2022–2026

PROFESSIONAL EXPERIENCE

Java Developer Intern — Enterprise Software Nepal

Jan 2026 – Jun 2026

- Developed backend modules using Java and Spring Boot.
- Created REST API endpoints for application services.
- Worked with MySQL databases and Hibernate.
- Wrote unit tests using JUnit.
- Investigated and fixed backend application defects.

SELECTED PROJECT

- Inventory Management System — developed Java backend services, implemented inventory CRUD operations, and used MySQL for persistent storage.
